

FTP Instructions:

1. Use a utility like "Fastone Photo Resizer" to change the size of the photos to 800x800 pixels.
2. Place your photos in a folder that is easy for you to access: The most common one is;
C:\Documents and Settings\User Name\My Documents\My Pictures
3. Open WinZip or whatever Zip utility you have, select the photos you want to upload, then zip the photos into one file
4. Select the Zip file you just created right click and select Copy
5. Now open "My Computer" again and in the address box enter: <ftp.iron-ball.com>
(if you have a FTP client program you can use the setting below to access the FTP site)
6. Login will be: QHS_photos
7. Password is: W*Pzj22g
8. Paste the zip file in the window that opens
9. Then send me a email telling me the name of the zip file.
